

MAINTENANCE MACHINE HELPER

Cloverland Electric Cooperative is seeking a motivated individual to fill the position of Maintenance Machine Helper.

Duties consist of performing maintenance, clean-up, and assisting Repairman, Welder or Machinist in the hydro electric generation plant in Sault Ste. Marie.

The ideal candidate will have at least a high school diploma or equivalent and a strong background in machine maintenance and repair.

Starting wages and benefits are competitive within the electric utility industry. Employment applications can be downloaded at: www.cloverland.com. Mail your completed employment application, along with cover letter and resume to the address below by July 16, 2018. Employment applications are also available at any of our member service locations. **No phone calls please.**
