

Cloverland Electric Cooperative's board of directors met on August 19.

- All directors were present
- Approved a motion indicating Cloverland is not able to assist the residents of Germfask in the dispute with their power company.
- Received preliminary information concerning the 2016 Cost of Service Study.
- Received an update from the CEO related to the July FERC decision, Cloverland's discussions with Brookfield Renewable out of Canada, and discussions about the activities from the Governor's office.

Meetings are held at the co-op's administration office at 725 E. Portage Avenue in Sault Ste. Marie on the third Friday of the month. The board reserves time at the beginning of each meeting for members who wish to address the board. Members who would like to present an item for the board's consideration at a particular meeting may submit their request for time online at <http://cloverland.com/member-comment-request/> or by calling 1-800-632-5143 for assistance.
