ARTICLE I: MEMBERS

SECTION 1. Qualifications

- (a) Any natural person, or entity such as a firm, association, corporation, partnership or governmental unit (referred to as “person”) may become a member of Cloverland Electric Cooperative (referred to as “Cooperative”) by:
 - (1) Paying any deposit, contribution, fee, charge or any combination, as required by the Cooperative; and,
 - (2) Agreeing to purchase electricity from the Cooperative; and,
 - (3) Agreeing to comply with and be bound by the Cooperative’s Articles of Incorporation, these Bylaws, any amendments, and any rules and regulations as may be adopted by the Cooperative’s Board of Directors (referred to as the “Board”).
- (b) While a person may receive electric service at more than one premise, no person shall hold more than one membership in the Cooperative.

SECTION 2. Joint Membership

- (a) If more than one person is listed on an account, those persons constitute a joint membership. Any provision relating to the rights and liabilities of membership shall apply equally to holders of a joint membership.
 - (1) The presence of any person in a joint membership at a meeting shall be regarded as the presence of the member;
 - (2) The presence of any person in a joint membership at a meeting shall constitute a waiver of notice of the meeting by the member;
 - (3) The person in a joint membership is entitled to only one vote in a joint membership;
 - (4) Notice of any person in a joint membership shall constitute notice to both;
 - (5) Any person in a joint membership shall be eligible to serve as a director for the Cooperative, but not more than one concurrently;
 - (6) Upon the death of any person, the membership shall continue to be held by the surviving joint members. Any surviving joint members shall not be released from any debts due the Cooperative. If all joint members are deceased, the estate remains responsible for any debts due the Cooperative.
 - (7) Upon legal separation or divorce, the membership shall continue to be held solely by the spouse who continues to occupy or use the premises. The spouse who does not occupy or use the premises covered by the membership shall not be released from any debts due the Cooperative.

SECTION 3. Membership Districts

- (a) Members shall be grouped into three membership districts based upon location of receipt of electric service.
- (b) The Board shall establish membership districts which shall contain approximately the same number of members. Annually, the Board may review the composition of these districts and if it should be found that inequities in representation have developed which can be corrected by a reconstitution of districts, the Board shall reconstitute them so that each shall contain approximately the same number of members.

SECTION 4. Purchase and Production of Electricity

- (a) Each member shall, as soon as electric service is available, purchase from the

Cooperative all electric service provided by the Cooperative (except to the extent that the Cooperative may, in writing, waive such requirement) and shall pay rates as approved by the appropriate regulatory authority. It is expressly understood that the amounts paid for electric service in excess of the cost of service are furnished by members as capital and each member shall be credited with such capital.

- (b) The Cooperative shall use reasonably diligent efforts to furnish its members with adequate and dependable electric service, although it cannot and therefore does not guarantee a continuous and uninterrupted supply.
- (c) The Cooperative may require a contract executed by a member for any particular classification of service.

SECTION 5. Member Responsibilities

- (a) Each member shall cause all premises receiving electric service from the Cooperative to become and remain wired in accordance with applicable local, state and federal codes, ordinances and statutes.
- (b) Each member shall be responsible for and indemnify the Cooperative and its employees, agents and independent contractors against death, injury, loss or damage resulting from any defect or improper use or maintenance of such premises and all wiring and apparatus connected thereto or used thereon.
- (c) Each member shall make available to the Cooperative a suitable site, as determined by the Cooperative, to place the Cooperative's physical facilities for the furnishing and metering of electric service and shall permit the Cooperative's authorized employees, agents and independent contractors to have access safely and without interference from any hostile source for meter reading, bill collecting, and for inspection, maintenance, replacement, relocation, repair or disconnection of such facilities at all reasonable times.
- (d) Each member shall not interfere with, impair the operation of or cause damage to such facilities, and shall use best efforts to prevent others from so doing.
- (e) Each member shall also provide such protective devices, apparatus or meter base as the Cooperative shall require in order to protect the Cooperative's physical facilities and operation, and to prevent any interference with or damage to such facilities. In the event such facilities are interfered with, impaired in their operation or damaged by the member, or by any other cause when the member's reasonable care and surveillance should have prevented such, the member shall indemnify the Cooperative and its employees, agents and independent contractors against death, injury, loss or damage resulting from, including but not limited to the Cooperative's cost of repairing, replacing or relocating any such facilities and its loss, if any, of revenues resulting from the failure or defective functioning of its metering equipment. The Cooperative shall, however, in accordance with its applicable service rules and regulations, indemnify the member for any overcharges for service that may result from a malfunctioning of its metering equipment error occurring in the Cooperative's billing procedures.
- (f) In no event shall the responsibility of the Cooperative for furnishing electric service extend beyond the point of delivery.
- (g) Each member shall participate in any required program that may be established by the Cooperative to enhance load management, to more efficiently conserve electricity, or to conduct load research.

SECTION 6. Withdrawal or Termination of Membership

- (a) Any member who withdraws or terminates membership in any manner shall not be relieved of any debts and liabilities of such member to the Cooperative.

- (b) Membership in the Cooperative shall not be transferable except as otherwise provided in these Bylaws.
- (c) Upon the dissolution for any reason of a partnership or upon the death, withdrawal or addition of any individual partner, the membership shall continue to be held by the remaining and/or new partner or partners as though the membership had never been held by different partners. Neither a withdrawing partner nor a withdrawing partner's estate shall be released from any debts then due the Cooperative.

SECTION 7. Right of Way Easements

- (a) Each member shall, upon request, give to the Cooperative, without compensation, all easements or rights of way over, on and under such lands owned or leased by the member, and in accordance with such reasonable terms and conditions, as the Cooperative shall require for the furnishing of electric service (for the member or other members) for the construction, operation, maintenance or relocation of the Cooperative's electric facilities. Maintenance shall include, but not be limited to, right-of-way clearing and vegetative management.
- (b) Members may reasonably request alternative routing across their lands to serve other members. If approved by the Cooperative, the cost of line changes to accommodate such requests shall be upon the member requesting service.
- (c) Any person who refuses to grant the Cooperative an easement or easements upon request shall pay the actual cost of any line changes made necessary by such refusal, including but not limited to attorneys' fees and expenses.

SECTION 8. Petitions

Petitions by the membership authorized under these Bylaws shall be on forms prepared and available from the Cooperative.

- (a) All members signing such petitions shall include their service address;
- (b) Each member's signature appearing thereon shall be dated as of the date of signing;
- (c) The person circulating the petition shall be a member of the Cooperative and shall include at the end of each petition sheet his or her service address and attest that he or she circulated the petition and is acquainted with the persons who signed the petition in his or her presence.

The Cooperative is obligated to allocate these amounts as credits to a capital account for each member. The Board shall determine the method, basis, priority and order of retirement, if any, for all amounts furnished as capital.
